CASA at the CLUB

Sponsorship Opportunities
Our 11th Annual fall gala will be our largest fundraising event of the year! Because our organization serves children throughout the county, our sponsors and supporters come from all parts of the central coast.

In 2017, “CASA at the Ranch” attracted more than 250 guests and helped us raise $150,000 for children in foster care. This year’s theme brings a classic jazz club vibe and we expect “CASA at the Club” to draw our biggest crowd yet.

Our Event Committee is dedicated to making this event the talk of the town! Their teamwork and creativity, along with our sponsors, make the event a success year after year!

Agency Overview

Every day abused and neglected children in our community are removed from their homes and placed into temporary foster care because their parents cannot or will not take care of them. Right now, more than 450 children in Santa Barbara County are under court supervision because they were neglected or abused in their homes.

With a Court Appointed Special Advocate, a child will spend significantly less time in the foster care system, and is twice as likely to find a safe, permanent home. Children with CASA volunteers get what they need.

Join our fight to make sure children don’t get lost in the child welfare system. Be a champion for them, someone who makes sure their needs are taken care of.

The Mission of Court Appointed Special Advocates for Children (CASA) of Santa Barbara County is to assure a safe, permanent, nurturing home for every abused and/or neglected child by providing a highly trained volunteer to advocate for them in the court system.

CASA volunteers are appointed by a judge to serve as the eyes and ears for the court, and a voice for the child. CASA is the only program of its kind. It is nothing short of a revolution – a way to address the safety and dignity of every child. Everything is built around one child and one caring adult who advocates for that child.

Major Accomplishments in 2017

- 301 volunteers advocated for 507 abused and neglected children - the most vulnerable members in our society
- 91 new volunteers completed 30 hours of pre-service training to become a child’s advocate
- 203 foster children were removed from our waiting list and assigned a CASA volunteer
